Department of Computer Science

The Shaikh Ayaz University, Shikarpur

Subject: University templates for lectures, posters and letters

Dear Colleagues,

The university's IT Directorate has prepared a set of document templates that give our presentations, research posters and correspondence one consistent identity. They are built on the university crest, use the same colours and typefaces throughout, and set the university's name in English, Sindhi and Urdu. I would like the department to adopt them for its teaching, research and official work.

The templates are written in $\text{\LaTeX}$, which many of you already use for research papers and theses:

- **Slides** — a presentation theme for lectures and seminars, with mathematics set in a typeface matched to the text.
- **Posters** — research posters from A3 to A0, in portrait or landscape, for conferences and the department's research events.
- **Letters** — this letterhead, for the department's official correspondence and notifications.

All three share one brand file, so the university's colours, address and typefaces stay the same across every document the department produces.

Template	Start from	Main file
Slides	saus-slides-starter.tex	beamerthemeSAUS.sty
Posters	saus-poster-starter.tex	saus-poster.cls
Letters	saus-letter-starter.tex	saus-letter.cls

The templates run on any standard $\text{\LaTeX}$ installation, including Overleaf, and need no fonts to be installed on individual computers. Colleagues who have not used $\text{\LaTeX}$ before can start from the starter files, which contain every field they need to fill in.

Please use the slide template for lectures and seminars from the coming semester, and the poster template for any research you present on behalf of the department. Course coordinators are requested to share this letter with the visiting faculty and teaching assistants in their courses.

The IT Directorate is glad to help anyone setting up the templates. Questions about their use in the department may be sent to me at the address below.

Yours sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'S' followed by a series of loops and a horizontal line at the end.
